MEMORANDUM FOR: Deputy Director of Central Intelligence  
FROM: Director of Central Intelligence  
SUBJECT: Leaks

1. Bill Baker, Johnny Foster and Leo Cherne are going to give us their thoughts on the leak problem based on the papers produced by Eloise. I am committed to get back to Biden and Murtha with some ideas on how the leak problem might be addressed.

2. I believe that Eloise's papers have been sent to the members of the SIG-I, so they will have reviewed them by the meeting tomorrow. If you can kind of open up a dialogue and get their thinking, I will pursue it further at the meeting on the hostile presence. If I can get your ideas after your talk with the SIG-I, I will move forward with the Congress and NSC.
